THE MEETING . . .

Our meetings are open to the public and all our discussion will be held during an open meeting with the exception of Executive Session*. As you will note, there is time on the agenda for comments and questions under Public Forum. If you have questions about the specific procedure, please check with one of the board members or a District staff member prior to the meeting. Involved and informed parents and community members are our best guarantee of excellence in our public schools.

THE AGENDA . . .

Canby School District Board Members receive a full agenda several days prior to the meeting. The agenda may deal with a wide range of issues such as curriculum, budget, hiring of personnel, facilities, school transportation, or long range planning. The agenda usually includes written supporting material that helps with decision making. If it appears that we take quick action on an item, it may be because we have been studying the topic for several weeks or that we have had our questions answered in advance of the meeting.

PUBLIC FORUM . . .

We welcome your comments and questions during the time set aside in the meeting for public comment. Should you wish to speak, we ask that you provide your name and address, so we can get in touch with you, if necessary. Please:

Fill out a speaker request form and turn into the Board Secretary. Keep comments brief and to the point. Up to five minutes is allowed per speaker. Do not reflect adversely on the character or motives of any individual.

If you have a specific complaint about an employee, we ask that you first attempt to solve the problem with the person. If this is not successful, please contact his or her supervisor and then, if necessary, the Superintendent. This will provide the Superintendent the opportunity to investigate the issue and resolve the situation or, if necessary, consult with the School Board.

- *Board meetings are held in the Applied Technology Center's Omni Room, at Canby High School.*
- *Meetings are generally held on the third Thursday of each month.*
- *Board Work Sessions are held on the first Thursday of each month in the District Office's Meridian Room. Exceptions will be advertised.*

ABOUT US

The members of the Board of Canby School District are elected officials who:

- Establish policies that direct the District
- Employ and evaluate the Superintendent
- Negotiate with employee groups
- Approve the annual budget
- Authorize elections regarding our schools
- Determine long-range direction for the District
- Communicate with the community

We volunteer to serve on the School Board because we care about providing quality education in our community. You are probably here tonight because you care, too. We appreciate your comments or interest and ask for your participation to help us meet that goal. You can also reach us by phone (*listed under "Contacts" section on reverse side*) or by e-mail.
