FROM THE PRINCIPAL

Dear Parents and Community Members,

Thank you for taking the time to review our school's State Report Card. The State Report Cards are produced by the Oregon Department of Education and their purpose is to provide a broad overview of how each school is doing.

With this rating we can tell that many of our students continue to show growth in the areas of reading, math and science and we celebrate their success! However, we are not seeing the kind of growth that we would like to see for all of our student groups. Our staff continues to focus closely on students who are Economically Disadvantaged, English Language Learners

and students with Special Education needs. As in years past, we believe that our ranking is something to be proud of but also provides us with direction towards improvement.

We are proud to do this work and to serve this community each day. Thank you for your continued partnership in this process. Please feel free to call me with any questions that you might have regarding our School Report Card.

Thank you,

Principal | Andy McKean

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

2014-15 was the first operational year of the new English language arts and mathematics assessments.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

See report cards from previous years to view historical OAKS performance data.
