

CANBY SCHOOL DISTRICT

Driver's Education Schedule

2011-2012

To receive an ODOT Letter of Certification, students are required to have a minimum of 30 hours classroom instruction, 12 hours of behind-the-wheel driving/observation and 5 hours home practice time.

Tuition for classes effective September 2011 is \$285.00 plus \$15.00 for required classroom materials. **Due to legislative changes, students 18 and over are assessed an additional \$150.00. Additionally, any student who has or gets their license prior to completing the course will have to pay an additional \$150.00 fee.** For additional information and registration forms, please contact Canby Community Education 503-266-0040.

No classes or behind-the-wheel driving on legal holidays. Classes and driving will be held on grading, in-service, and conference days.

The Oregon Department of Transportation requires the student have at least four hours classroom instruction prior to their first behind-the-wheel drive. Therefore, drive times start the second week of each session. ODOT also requires a Parent/Guardian/Student Orientation session to be held prior to the first night of class. These sessions will be from 6:00-7:00pm on the student's first night of class.
